# THE C.A.B. ARCHER

Our mission: "To promote, encourage and share participation in archery and bow hunting while emphasizing good sportsmanship and ethics"

## PRESIDENT'S MESSAGE:

Hello everyone,

I would like to say thank you to everyone who comes out and helps set-up and take down the targets. The more people that can help the less time it takes. We will be out there this Friday at 4:30pm setting up

Also a reminder again for this summer time – Snakes and Heat!  
Rattlesnakes are out; Watch where you step and when you are reaching in to bushes.

Heat stroke this time of year is also a problem. Make sure you drink plenty of fluids, get into some shade and out of the sun as often as is needed. Heat stroke happened to one of our members last year. Remember we are out here to have fun!!

For those of you that were able to get out in the field to hunt or just to explore, we like to hear about it. Submit your stories and or pictures to our CAB Editor Eric Tolliver at [ghostwheel@et-industries.com](mailto:ghostwheel@et-industries.com), so that we may add it to the newsletter.

I hope to see you all out to the range Saturday May 7<sup>th</sup> The club will be auctioning off a few more old targets.

Also if anyone has anything doing with camping, hunting or archery they want to get rid of we will be having a on the back of vehicle or trunk-- your own little yards sale!!! So bring items you want to sell, trade or donate and set up your area for sale. Any questions call me at 520-705-0357.

There will be no Saturday shoot at Central Arizona College the first Saturday of June due to The CAB 2 annual camp out will be held the first Saturday in June this year outside of Payson off of control Road. The directions are posted in this newsletter.

We love to see every one up there. Everyone bring something for potluck for Saturday night. We will as a club supply steaks and drinks for Saturday evening. We had a great time last year.

Have a great day, week, and month, be safe out there!

Your President,

Betty A Fiore

**A group of Arizona friends went deer hunting and paired off in twos for the day. That night, one of the hunters returned alone, staggering under the weight of an eight-point buck.**

**"Where's Sonny?" the others asked.**

**"Sonny had a stroke o' some kind. He's a couple of miles back up the trail," the successful hunter replied.**

**"You left Sonny layin' out there and carried the deer back?" they inquired.**

**"A tough call," nodded the hunter. "But I figured no one's gonna steal Sonny!"**

**A young man from Arizona came running into the store and said to his buddy, "Keith, somebody just stole your pickup truck from the parking lot!"**

**Keith replied, "Did y'all see who it was?"**

**The young man answered, "I couldn't tell, but I got the license number."**
